# How do I view my statements online and stop paper statements?

## What are the benefits of online statements?

- ✓ eStatements are a free, convenient and secure method of receiving your personal account statements and personal credit card statements through Online or Mobile Banking
- ✓ You can view and print whenever you need a copy of your statement
- ✓ You don't have to worry about storing or safely disposing of your bank and credit card paper statements
- ✓ eStatements are available for up to seven years.

**We'll text you when your new eStatement is available**

## How do I stop paper statements?

It's easy. Using Online Banking choose 'Accounts' then 'Statements & Fees'. Choose 'Statements' and select the account(s) you wish to stop receiving paper statements for.

## How do I view eStatements?

You can view your eStatements through Online Banking and the Mobile Banking App. Once opened you can also choose to save or print your eStatement.

Using Online Banking choose, 'Accounts' and then 'Statements & Fees' and you will be provided with a list of your accounts. Choose to view your eStatement, order a statement or stop paper statements.

Using the Mobile Banking App choose 'Services' then 'Statements'. Choose the account you wish to view the statement for.

Your eStatements will be updated and available as often as you receive them by post (or would have received them by post if you have opted to stop your paper statements).

# What can I do at the cash machine and with my debit card?

## Cash machines

Cash machines are not just for getting cash. Using your Visa debit card and PIN you can also complete balance enquiries, change your PIN and order a mini statement for your account.

## How do I use my Visa debit card?

The Visa debit card allows you to access money from your bank account.

It's widely accepted in millions of shops and cash machines around the world where you see the Visa sign and can be used to:

- Make purchases in shops or supermarkets
- Make purchases with Cashback\* up to £100
- Make withdrawals of up to £500 per day from cash machines displaying the LINK or Visa logos
- Shop online or over the phone
- Make Contactless payments where you see the Contactless sign

\*Cashback is only available in the UK and amounts are at the merchant's discretion. Not all merchants will offer Cashback.

## Contactless Payments

Contactless is the faster way to pay for everyday items. When the transaction is £45 or less, you can choose to pay quickly and securely with contactless, just touch and pay where you see the contactless symbol. Occasionally, you'll be asked to enter your PIN just for added security.

If there's a Contactless symbol under the Visa logo on the front of your debit card or credit card, then your card is enabled for Contactless payments.

## Mobile Payments

You can pay for your purchases quickly and securely with Mobile Payments such as Apple Pay and Google Pay™ using your mobile device.

Simply touch and pay for items that cost £45 or less. For items over £45 you can pay using Mobile Payments, depending on the retailer.

# Safer banking.

## Security

We take your security seriously. To protect you against the threats associated with fraud and scams, we will never ask you for your Personal Access Code (PAC). Never disclose codes from your PAC, Card Reader, personal or financial information by email or after clicking on a link in an email or text message. You can verify any telephone numbers or information provided in this email by visiting our secure website at **[aibni.co.uk](http://aibni.co.uk)**

For more information on the common frauds and threats, and how to protect yourself against these, visit our Security Centre at **[aibni.co.uk/securitycentre](http://aibni.co.uk/securitycentre)**

## Card reader

Our card reader is a security device that works in conjunction with your Visa debit card and PIN to generate unique security codes which are used to complete certain activities on Online Services.

Order a card reader through the 'Service and Settings' section on Online Banking or call Phoneline Banking on **0345 793 0000**.

Log in and choose option zero (0).

We're available between 8am and 12am (Midnight), 7 days a week.

**The card reader provides an additional control for keeping your money safe from online fraudsters.**
